NEW DORSET TEAM

BY ANDY BRIGHT

SOTON BOMBERS 45. Butcher 14, Barnes 9, Stillwell 7.
TATNAM TIGERS 51. Lilly 13, Holmes 9, Watkins 9.

After a heavy fall at work, Alan Nippard was unable to ride for Tigers and with Dave Cox on holiday, the League Champions had a tough time, but an inspired 13 from Lilly gave Tigers victory.

SOTON VIKINGS 64. Griffiths 15, Wheeler 14, Thomas 9.
TATNAM TUDORS 32. Frampton 9, Phillips 8, Woodrow 5.

This match proved to be a one-sided affair with Griffiths and Wheeler in devastating form. Only Frampton and Phillips had any answer.

BURFORD PIRATES 42. Barlow 13, Constable 7, Bishop 7.
TATNAM TUDORS 54. Lilly 14, Barnes 10, J.Tarr 9.

A good win for the Tudors but they did have guests in Lilly and Barnes and Burford had Barlow. Nice to see young John Tarr making the bigger time. A National Junior Champion of the future.

Upton Eagles are still riding challenge fixtures with Alderney Stars as well as new teams Parkstone Pirates and Trinidad Eagles. The basis of a Dorset League you may think. At present only Alderney is interested. None of them at present intend to join NACSA or BCSF.

The Hants Individual Finals were held on July 10th. Such was the kenness to get into the National Semi-finals that only 13 riders turned up. After sorting out the problem of no programmes and armbands, the match started ¾ hour late. Half way through, a dust up between Griffiths and Pitfield led to an off track dust up. The result was the withdrawl of 4 riders. However the 9 remaining riders muddled on. I don't know who won. The above report was taken from a reliable source. The Hants Board can't sort out this mess. NACSA MUST ACT NOW. I am convinced now more than ever that if NACSA is to survive, County Boards should be scrapped and one National Board set up.

LAKESIDE FADE

LAKESIDE RESULTS NULL AND VOID.

Following the continued absence of either riders, matches or notification of any kind from Lakeside C.S.C, this club has been expelled from the Essex Cycle Speedway Association as from June 28th 1960, and any matches that they have raced in the Junior Shield are now declared null and void forthwith.

1960 PRESENTATION DANCE.

The Essex Cycle Speedway Association 1960 Annual Presentation Dance will be held at "The Chestnuts" Public House, as was done last season, and the date this time will be January 7th 1961.

RACERS GC CUT

BY DAVE SCOTT

In the Wiltshire Final of the NTC, held back due to the coach accident to 16 riders of Swindon Eagles, the Eagles came right back to top form. In their first match less than a month after the crash, they took both Junior and Senior county titles from Wroughton Racers. In the first leg of the Senior, ridden at the Swindon track, the Racers won only one heat, a 4-2, after Hancock had been excluded. They shared 6 other heats, which left Eagles easy winners, 60-36. Star of the match was Freddy Gilbert who dropped an odd point to Mike Hudd(the only Racer to worry the home side).

EAGLES 60. Gilbert 14, B.Thomas 8, R.Morse 8.
RACERS 36. Hudd 13, Richards 9, King 8.

In the return fixture, due at Wroughton the following week, the Racers forefeited the matches owing to a shortage of riders, but 7 registered riders were on their track the night in question.

In the inter-county matches at Cleverton between Wiltshire and Oxford, the visitors gained a narrow victory. This turned out to be a battle of weakened teams, for the visitors were without riders from the Horspath club, whilst Wiltshire missed the services of almost all last years team. Hudd and Richards rode well for the home team with Lovelock and Dawes best for Oxford.

WILTSHIRE 46. Richards 11, Merrett 7½, Hudd 6½.
OXFORD. 50. Lovelock 11, Dawes 10, Rowlands 7, Barlow 7.

In the second match, Wiltshire had a Junior team, while the visitors brought a "B" side, leaving a one sided match, although some of the youngsters rode better was expected of them.

WILTSHIRE 41. Davis 9, Collett 6, Morse, Rob 6.
OXFORD 54. Winchester 12, Taylor 10, Lovelock 8.

Wroughton visited Burford to win 70-28...In the Cleverton Show ridden on grass, Horspath Hammers defeated Hungerford Panthers in the final by 2 points...Wroughton gained revenge over Bucklebury at Wroughton in both senior and junior matches, for earlier defeats at Bucklebury...LATE NEWS. Keith Hancock retired.... Frank Garlick retired after NTC match.

HAMMERS UNBEATEN

BY "ALLOTT"

Horspath, although winning by default, are truly Oxford County Champions for 1960. They would have easily beaten the Hounds, had they turned up anyway.

In the League, Horspath are still unbeaten and will no doubt stay that way. Littlemore are in a happier position now with Byles back, but are not the force they were when called Cowley Eagles in 1959. Baskerville still stay around the top, but it must be remembered that 6 of their points were won on default. Wood Farm were without stars when they lost to Hounds at home, but won at low strength at Burford.; they have an edge over Northway and Burford, but won't I feel, get in the top 3.

The Junior League may be a runaway for Cowley Chads - their 66-30 win at Burford was very easy. Littlemore have entered a Junior Side, but with Dawes and Rowlands not ALWAYS there, should not beat the Chads. The others, as yet, have to settle down before anything can be said.

The best league match of June, was that when Wood Farm only lost by one point to Littlemore. If Wasps' Brian Winchester had not fallen when 2nd in one heat, the score would have been reveresed. It was a last heat decision which won it for the Lions. They were one point ahead when Barry Dawes beat a slipping at the gate Pete Lovelock, and Barry Shapley, who pegged back Jock Sutherland into the last slot. This was a razor keen match - 2 riders coming to blows over a nasty incident on the track - but at the end everyone shook hands - Great stuff. The Lovelock-Shapley pairing scored 18 points in their 4 rides together.

SPUTNIKS TITLE

BY BRIAN MAKEPEACE

Due to pressure of business I have been unable to pen articles for the past couple of issues. In an effort to bring things up to date, a short account of matches follows;

28.5.60. CRANLEIGH EAGLES 64 WANTLEY WASPS 44

The re-opening of the Cranleigh(Guildford) track was seen by about 200 people. They finished the match as victors over the Wasps. Cranleigh's oldest rider being only 15, it was a worthy performance.

4.6.60. WORTHING SPUTNIKS 38 HORSPATH HAMMERS 58

Horspath opened their brief tour with a win, disposing of Sputniks quite comfortably. Honey, M.Grant and Butler best of a strong side.

5.6.60. WANTLEY WASPS 18 WORTHING SPUTNIKS 78

Sputniks proved far too strong for the home team in this Southern Counties League meeting.

6.6.60. BRIGHTON SCORCHERS 35 HORSPATH HAMMERS 61

Another win for the tourists on an extremely fast Brighton track. Honey, Cull and the Grants were in fine form. Dave Peacock showing star quality with 9 points for the home side.

11.6.60. BRIGHTON SCORCHERS 69 WANTLEY WASPS 27.

Home side again too strong for Wasps in the league match. Dave Peacock scores paid maximum. Goodburn only visitor to challenge with 7.

19.6.60. WORTHING SPUTNIKS 51 BRIGHTON SCORCHERS 45.

The 6 Scorchers gave a great display, showing signs of vast improvement. Dave Peacock in his first appearance at Worthing scores 14 from 15.

25.6.60. BRIGHTON SCORCHERS 45 WORTHING SPUTNIKS 51.

The solid home side again slightly unlucky with machine failures. Sputniks, with edge in reserve strength, with League title.

1.7.60. JUNIOR INDIVIDUAL CHAMPIONSHIP at Wantley.

Home man Stephens created a great shock by taking the title with 14 points. Hobden(Worthing) third with one unlucky exclusion 11 pts. Alby Reynolds(Brighton) 12, second.

FACTS AND FIGURES.
Garratt Park is the home track of South London Rangers and Hunters and Southern Nomads. None of these clubs have any riders in the final. The present surface of red shale was laid at the commencement of the current season.
A big dissappointment has been the lack of riders from Australia and Sweden.
The Welsh contingent was eliminated in the semi-final. It is noteworthy that Bill Punter represented Wales in the 1958 Final, but this year represents England, having ridden as such in the qualifying rounds.

CHAMPIONSHIP (1960)
WORLD

Edmonton has the biggest club representation with 3 riders who are Read, Jeffery and Westwood.
The 1958 winner, Martin van de Brakel, is unable to defend his title this year. The runner-up was Dixie Dean who has once again qualified. Third man Pete Blackwell was eliminated in the semi-finals.
A large crowd is anticipated for the Final, so make sure you arrive early. This is Cycle Speedway's chance of biggest publicity for years, for many Fleet Street journalists will be there.

PROSPECTS.

The Final is open, very open. Eyes will be on the foreign contingent without doubt. The question is, will the track be to their liking? Well, Garratt Park, although not being greatly like Dutch tracks, should certainly be more to their liking than most English tracks. My forecast is that the Continentals will start quietly, but will peg a few points in the latter stages.
What of Scotland's chances? Of course, they can never be underestimated. Of the 2 riders, Wade would appear to stand slightly the better chance, but it would seem that neither rider is likely to be over happy on this track. So were are left with 11 English riders. And if we don't have a winner out of that lot, we never will.
Veteran Dixie Dean will be out to add the trophy to his large collection and though Garratt Park is a shade fast for him, Dix has a habit of rising to the big occasion. Team-mate Fred Bouttell, winner of the Hungerford semi-final, is the most inconsistent rider you can find. If he has an 'on' day, then there will be no stopping him. Carrs Wood's Brian Moston, veteran of all veterans, is still at the top. However, I fear the pace may be too much for him. Wilmslow's Derek Garnett, winner of the other semi-final, recently had an outing on Garratt Park and this alone should be worth a few points. Mike Cockroft I regard as an unknown quantity. Although he has

often made decent scores, he must be regarded as the surprise of the competition. Lupset's Nick Bedford can never be counted out of anything and obviously is a strong contender. Although only just scraping through, Vic Hinchcliffe is a rider to be feared, often rising to the big occasion. Of Edmonton's trio, Les Westwood and Mick Jeffery both ride this track in fine style and Westwood's fine style is bound to be a hit with the crowd. Both stand a good chance. Chas Read must be regarded as an outsider. This leaves Bill Punter. Bill has always been well up in big events, though I cannot rate his chances particularly high.

SHOCK - NO MIDLANDS.

A big talking point is the absence of any qualifiers from the Midlands. Despite the reported big interest from the Midlands, particularly the Birmingham area, there were not a great deal of entries from there and their riders were gradually eliminated. Also of interest, hidden away from the headlines, was the case of Blackbird's Harry Glover. He qualified for the semi-finals but was then banned by the Leicester Control Board. This ban was upheld by NACSA and also the World Championship Committee. Exit Glover.

CRITICISM.

The instructions issued to British qualifiers include - black shirts or sweater, black jeans and black shoes must be worn. Uniform breastplates will be provided. Other than helmets, headgear cannot be worn(assumedly included to delete Bill Punter's cap). Same shirts and jeans - fair enough. I cannot help feeling that club breastplates would have added colour and how we need a bit of colour! But black shoes!! A rider's footwear is just as important to him as his bike. I wonder how Dixie Dean(plimsolls) and Les Westwood(boots) feel about this. Riders have a reason for wearing their own footwear. What do the World Championship Committee think this is? A flippin' fashion parade by the looks of it.

STOP THIS RIDICULE

BY THE EDITOR

Some teams go to any lengths to secure a coveted trophy. This has always been the case and always will. The National Team Championship is run by the National Amateur Cycle Speedway Association as a knock-out competition to ascertain the Country's top club team. It has always been the desire of most teams to win this fine trophy. Not unnaturally some teams strengthen up for this competition. NACSA, traditionally turns a blind eye. The best case in memory is that of Coalville Stars a few seasons back. Yet, none of these specially strengthened teams has ever won the trophy.

Some teams have tried to do this again this year. The way to do this is by one club which affiliates to NACSA, registering the cream of the riders of any other club which does not affiliate. Thus, for example East Ham Stars obtained 2 Hawbush riders for their NTC match - not in tthis case that it did any good, for the Stars still lost.

However, there is one very serious case that is a strong threat to the competition. The Yorkshire clubs Linsdale Lions and Lupset Aces are recognised throughout the sport as being very strong teams, either of which were well capable of carrying off the trophy. But, under the title of Linsdale Lions, these clubs have combined for the competition. Current holders Wilmslow Hammers, who have no respect for any reputations, are shuddering at the thought of meeting Linsdale. What have NACSA done about it? Nothing of course. Both clubs are actually affiliated to NACSA, so I have not as yet, found out how they have managed the move. NACSA must act now to protect the interests of genuine club teams. The whole competition is open to ridicule otherwise.

GOOD OPENING

BY ROCKY MORGAN

The Suffolk team started off the season in good form, accounting for Norfolk in both the 'A' and 'B' team matches held at the Leiston track. Some 400 people watched the match which was held under somewhat blustery conditions, a rather strong North-Easter blowing straight off the sea, which is only about 2 miles away across flat country.

In the return match held at Norwich, the conditions were really grim and both matches went to Norfolk by small margins - some of the Suffolk riders refusing to ride on the rain-soaked track and in pouring rain. These riders who failed to turn up were duly reported to the Control Board as also were the ones who did not ride and the result is that they have been refused entry into this years individuals.

BENEFIT MATCH IN ESSEX.

In a letter to '5-1' Ron Bull states that the Gladiators club, on behalf of the Essex Cycle Speedway Association, are to stage a special benefit match in aid of Sandy McGillivray and Alan Risley, both of whom are in Broomfield Hospital, Chelmsford, suffering from tuberculosis. The match is to take place at Lower Bedford Road, Romford on August 21st (3.p.m.). Any riders wishing to take part should voluntarily donate 2/6d and apply to Mr.R.Bull, 13 Manor Road, Romford,Essex before July 31st.

N.T.C NEWS

SECOND ROUND RESULTS.

Longsight Pegasus 45 — Raynes Park Tigers 51.
Raynes Park were more superior than the score suggests.

Linsdale Lions 59½ — Hagley Comets 36½.
Comets were no match for the extra strong Lions.

Claydon Greyhounds 43 — Bushey Kangaroos 53.
Although the scores were level halfway, Kangaroos pulled away to leave no doubt.

Wembley Hawks 47 — Wilmslow Hammers 49.
"We wuz robbed" is the Hawks cry. With Dean leading in the nominated, he was excluded for slowing the race down and so Hammers, the holders, won.

Tatnam Tigers 67 — Bucklebury Robins 29.
Robins inconsistency gave the strong Tigers no trouble at all.

Tolworth Tudors 63 — Horsbath Hammers 33.
Once the Hammers were behind, they showed little spirit to make a match of it. Tudors were superior from the gate.

Swindon Eagles 39 — Birmingham Lions 57.
Eagles, perhaps not fully recovered from their accident, could not hold the veteran Lions outfit,

Leicester All Stars 52 — Southampton Vikings 44.
From amongst all the trouble and strife in Leicester, All Stars showed that the city can still field a useful team.

THE RODEN TROPHY

BY BOB SAUNDERS

The Roden Trophy, an annual individual event, sponsored by the South London Club, proved a success for home man, Ray Baker. Furthermore, Baker has now won the trophy for 3 consecutive years. In a meeting which proved far more interesting than the Southern Area Championships a few weeks back, Baker was in a class of his own, dropping his only point to Bernie Cable. Spectators had to wait for heat 20, however, before the winner was known. Murden had already notched 13 points and both Baker and Dave Chivers needed a win to overhaul this total. Pete Saunders was first from the gate followed by Baker and Chivers. Baker took Saunders on lap 2, but Chivers could make no impression. And thats how it finished with the fourth position being left to Garnett, who up until then had rode quite consistently.

HELLINGLY LIONS 65 BUSHEY KANGAROOS 43

Things were fairly close for the first few heats, but then Hellingly pressed home their track advantage and left no doubt. Kangaroos failed to impress at all, slipping at the gate and floundering on the bends. Lions rode consistently and deserved the right to meet Edmonton in round 3.

STILL TOLWORTH

BY BOB SAUNDERS

Tolworth Tudors are running away with the 1960 Middlesex League. Their latest win was at Wembley, 54-42. The home side were handicapped by having a man short and Kenny Wildman was unable to continue after His 2nd ride. Taking this into account, Wembley rode very well, Bouttell and Dean only being beaten once. Murden only dropped one point for Tolworth.

Southern Nomads have been involved in a couple of close matches. At Raynes Park the match was never seperated by more than 4 points and resulted in a win for the Tigers 50-46. Dave Chivers only suffered one defeat. At Bushey another tough match resulted in a win for the Nomads 49-46. Ray Gingell only dropped 1 point for Nomads while Pete Saunders scored 13 for Bushey.

The Middlesex Grand Prix, due to take place at Uxbridge on August Monday with Murden, Hunting, Punter, Parkins and Nicholson taking part, seems assured of its annual success.

I hear that there are strong possibilities of a super stadium being built for a Middlesex League Club. More news of this when available. Despite having their best season for years, all seems not well within the Bushey camp. Expect developments. Derek Cattle has now taken over as Secretary of Raynes Park. Ex- Raynes Park Star Rod Coleman is now banging in the points for Tolworth. From Middlesex we wish Dixie Dean, Fred Bouttell (Wembley) and Bill Punter (Harefield) all the best for the 'World.'

The Middlesex NACSA Individuals were run off at Wembley and the Senior resulted in a win for Dixie Dean. Second was Keith Bristow after a run-off with Bill Punter. The Junior section was won, as expected, by Doug Wearn with Dave Beavan filling second position.

Southern Nomads, in conjunction with the Wimbledon Supporters Club, are to present a big event in September.

BEST PAIRS CHAMPIONSHIP at Brighton.
R.Holvey and C.Elmer (Crawley) 14.
P.Pemberton and B.Makepeace (Brighton) 11.

The 2 ex-England boys came back to win the Championship with comparative ease. The home pair of Pemberton and Makepeace were surprise runners-up.

The re-opening of Cranleigh has brought up another team already. Ewhurst Aces are at the moment looking for a home. There is also news of another 3 or 4 teams in Guildford and another one at Farnham. Perhaps a South Surrey evening League for 1961. This is good news to be sure.

It could mean an 8 team Southern Counties outfit next year too.
