THREE GO TO QUINTON RACERS

Following the loss of their track at Oldbury, Bearwood Bears have drafted their three leading points-scorers, Bratt, Lawrence and Salt, into the Quinton Racers' team for the few remaining weeks of the 1951 campaign.

Kingstanding Monarchs announce the signing of 20-year-old Peter Hook, the former Perry Barr and Sutton rider. During his period of national service, Peter also had spells with Beckton Aces and Stratford Hammers, present holders of the National Team Championship Cup.

Clifton Aces inability to master the starting-area was primarily responsible for their defeat at Kingstanding, where an under-strength Monarchs "B" team overwhelmed them by 70 points to 25. Johnny Ward (Monarchs) gave a fine display when scoring his first maximum of his career.
